

THE
MESSIAH COMMUNITY
CHORUS
presents

WE APPRECIATE YOUR CONTINUED SUPPORT!

As the holiday season quickly approaches, we are in the planning and fundraising campaign for our 50th concert presentation of Handel's **Messiah**. In 2022, you graciously supported this performance. We thank you and would very much appreciate your support again this year. The Messiah Community Chorus and accompanying orchestra comprise people from all over the Metro West area making this a great community event. This chorus has 40-50 experienced volunteer members. The orchestra of approximately 20 members and the four soloists are some of the finest local musical professionals who really make this concert an experience you would normally travel to Boston to enjoy. The concert venue at Pilgrim Congregational Church in Southborough typically draws an audience attendance of nearly 250 from the Metrowest area.

Our hope is that you will continue to favor this event and will consider once again one of the advertising levels listed below, which are detailed on the enclosed form.

Personal contributions or ads are deductible to the extent permitted by law.

- **Full Page Ad** for \$50.00
- **½ Page Ad** for \$30.00
- **Business Card Ad** for \$20.00
- **Handel's Angels Listing** – for a donation of \$25 or more.

We would very much appreciate your support by November 15th.

Sincerely,
Matthew Pietro - Chair, Messiah Community Chorus Planning Committee
